NEW BUSINESS

- A. Guest Sheldon Suga, Managing Director Hawks Cay Resort, discussed several topics of concern which are shared issues for Hawks Cay Resort and the Islands of Duck Key.
 - 1) Issues with jet skis racing through the Marina. Hawks Cay does not rent individual jet skis but has tours outside the flats.
 - 2) Golf carts driving around the Marina and on the docks.
 - 3) Individual cars racing on roads both at Hawks Cay and Duck Key.
 - 4) Hawks Cay has ordered a new fleet of golf carts for staff with safety features, locks and the golf cart operators will receive training. Another concern: golf carts being driven by underage kids.
 - 5) On weekends Hawks Cay hires extra outside security.
 - 6) Boat operators/owners do not respect the no wake zone signage.
 - 7) Mr. Suga would like to work collectively to resolve shared issues. Phil Kircher asked if Mr. Suga would like to write an article in DKSAB's newsletter and his response was . . . absolutely.
 - 8) There are 50 units that are not part of Hawks Cay Rental Program.
 - 9) Hawks Cay has increased their security staff.

- B. Security Concerns Water – Signage Canals, Thefts, Buoys, Lack of Law Enforcement, etc.

The Board had a general discussion on this Agenda item and will continue to invite guests to their meetings to be better informed. Sherry Popham advised the Board that Rich Jones, County Marine Resources Dept, is currently researching DKSAB's ability to install no wake zone signs in the canals. Capt. David Dipre with FWC was unable to attend this meeting but would like to meet with the Board in January to discuss the Board's water safety concerns. Both Rich Jones and Capt. Dipre encouraged Sherry Popham to replace the no wake zone buoys that were already installed by Duck Key Property Owners Association. The buoys are missing but the bases should still be in place.

OLD BUSINESS

- A. Cameras. Ongoing discussion regarding new cameras; placement of cameras; pricing of cameras; type of camera; who will get a price on additional cameras, the County's Engineering Department or DKSAB.
- B. Speed Bumps. Rick Sherman called, via phone, with Commissioner Rice's office and at this time, no decision on speed bumps on County roads. Mr. Sherman would like to know: if speed bumps cannot be publicly funded whether the installation could be privately funded. Detective Nick Whiteman advised that message boards work very well to slow traffic.
- C. Abandoned Unkempt Properties. Rick Sherman believed the word got out and those properties have been cleaned.
- D. Sheriff's Dept. Ad Hoc Membership/Need for Representative. Detective Nick Whiteman attended the meeting.
- E. Short Term Rentals Response Realtors. Not addressed.
- F. Letter from Duck Key Property Owners Association. Mr. Williamson would like DKSAB to develop a strategic plan with the County to help secure Duck Key properties from crime. Sherry Popham would like to go forward with a strategic plan for Duck Key Security.
